

# GCD Parent Organization

Dear Future Member,

The GCD Parent Organization (GCDPO), a non-profit 501(c)3 organization, is diving into another season, which means it's time for our annual GCDPO Membership Drive! The primary purpose of the GCDPO is to raise funds, provide support and enhance the training of the young athletes of GC Divers. This includes purchasing equipment, organizing meets and providing support to the team and coaches.

Membership in the GCDPO is on a family basis. Each member receives one vote on all GCDPO voting issues. Voting issues include election of officers, disbursement of funds and organization by-laws. Membership dues are \$20 per family, due by October 31st, 2009.

If you are a returning member, thank you for your previous membership. With your support, we have been able provide the following equipment/activities for our nationally recognized team:

- ∞ Bubbler system for Southlake - repair
- ∞ Website updates
- ∞ TiVo's either replaced or repaired
- ∞ Continued development of the technology team for Dick Wilson meets
- ∞ Holiday party for team with team photos

GC Divers had a fantastic season close at Age Group & Speedo Nationals, where several of our kids medaled on platform events. Now is the time to consider adding a 5 meter platform to the pool deck at the Southlake pool in order to help our kids become more competitive in the platform events. Krista is in discussions with the pool management and CISD officials on how to bring this to fruition. The cost of this addition will be \$70-80,000. This sounds daunting, but with assistance in seeking out corporate donations, we feel this is attainable.

Thank you,
